ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record

printing work has been done in the Govt. Press on behalf of the District Economic Superintendents, except the printing of a book in Kannada called "Village Uplift" by the D. E. S., Bangalore Dt. This came about the following way.

The book was intended for distribution in the Village Panchayat Conf. at the time of the last Dasara Exhibition and so in accordance with the G. O. dated 12th September 1929 (which stated that the necessary printing work in connection with the Village Panchayat Conf. will be got done by the Exhibition Authorities), the manuscript was sent to the Asst. Supdt. Branch Press, Mysore, who however returned it saying that he could not get it printed in time for the Exhibition.

At the meeting of the Standing Committee of the Economic conference held on 29th July 1929, the desires obtained that the lines chalked out in the Brayne's book were very sound & that a Kannada translation of the work would be a great value to the rural population.

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record]

The work "Village Uplift" by the D. E. S. Bungalow at Pusa is a free translation of Mr. Brayne's book & in view of the Dewan's expressed wishes I thought it would be proper if it was published under the auspices of the Economic Conference.

The list of printing done in the Govt. Press for the Economic Conference is herewith submitted. Only the actual number of copies required was printed. A few spare copies are printed.

Submitted with reference to paras 8 & 9.

I think items 1 to 6 will have to be printed in the Govt Press.

Items 7 & 8 may perhaps do. It seems necessary to make a small allotment for printing — say Rs 500 — in the budget of the Conference for any unavoidable printing not coming under heads 1 to 6.
